AUDITOR'S REPORT

March 8, 1941

To the Inhabitants of Mapleton:

This is to inform you that we have briefly examined the books and other records of your Town for the year ended Mar. 1, 1941 and pending a detail audit for the State, believe the report as printed herewith fairly presents the result of the years administration and the balance sheet fairly represents the financial condition of the Town on Mar. 1, 1941.

Our schools are progressing normally. The teachers are working diligently and efficiently. We have been able to maintain the standards of our schools in spite of unusual circumstances. While retaining the best of education that is considered fundamental, we are striving to keep abreast of the times and to offer the type of instruction permitted by conditions. Music has had a favorable introduction. Mrs. Priscilla Jones has visited the schools of the district, stimulating an interest in Picture Study.

The Schoolhouses have had some attention. The Packard school has been painted and the Dennett school has a new woodshed. The Old Mill School entry has been improved. The auditorium at the High School has been decorated and has been fitted with a door leading to the adjoining class-

room. On account of limited funds for equipment, we have thought it best to defer the proposed purchase of typewriters. We still need better heating arrangements and window shades in some of the elementary rooms. Several schools are in pressing need of desks for the pupils.

It would be well to give serious consideration to the idea of reducing the number of grades assigned to each teacher in the State Road school. This could be done by a rearrangement of the transportation routes. Our teachers are doing well under the circumstances, but when we are able we can make a great advance by securing an adequate grade building and modern conveniences.

National defense should have the hearty support of all, but education must not be neglected. It should be made to contribute to the welfare and safety of our country.

Respectfully submitted,

ELMER H. WEBBER

REPORT OF THE PRINCIPAL

To the Superintendent of Schools, Mapleton, Maine:

With pleasure, I submit to you my annual report as Principal of Mapleton Junior-Senior High School:

I. Second Semester of the School Year 1939-40

Three one act plays publicly presented by students;
The Handy Man, Mrs. O'Leary's Cow, Rumors Wanted.

Aroostook Central League One Act Play Contest sponsored by Mapleton High School.

Senior Play, "Aunt Tillie Goes to Town," presented in May.

Aroostook Central League Boys' and Girls' Basketball Championships won by Mapleton High School.

Maple Leaf, with changes, published in May.

Boys' Baseball Team won the Aroostook Central League Championship for the third consecutive year.

Commencement Exercises June 6th, 1940. Thirty-two graduated from the Senior High School.

II. First Semester of the School Year 1940-41

A. School opened September 16, 1940

B. School Statistics

Class	Registration School Year 1940-41		
	Boys	Girls	Total
Post Graduate	3	0	3
Senior	14	15	29
Junior	12	11	23
Sophomore	16	14	30
Freshman	19	18	37
8th Grade	16	7	23
7th Grade	13	7	20
	<hr/>	<hr/>	<hr/>
Totals	93	72	165

Registration by:

Towns		Courses	
Mapleton	124	College	19
Castle Hill	28	English or General	18
Chapman	13	Commercial	53
		Agriculture	32
Total	165	Total	122

The decrease shown in attendance for the first semester of 1940-41 is evidently due to the severe weather conditions of recent weeks and the influenza epidemic which broke out about the first week in January.

C. Faculty Changes

Three members of the faculty resigned during the summer. They were replaced as follows:

Miss Miriam Anderson, replaced by Miss Dorothy Bake, Miss Marion Anderson, replaced by Miss Emily Hamilton, Mr. Hollis M. Hazen, replaced by Mr. Robert Heminway, Miss Louise G. Wyeth, music supervisor, was added to the faculty.

Miss Wyeth is teaching 7th grade and 10th grade English in addition to handling the Girls Chorus and the Orchestra.

All of the new faculty members are doing good work and are showing a fine spirit of cooperation.

D. Extra Curricular Activities

1. ATHLETICS

Our athletics program provides an opportunity for all pupils who so desire,, to participate. Thus far we have been able to enroll about 40% of the student body in the program. There are, however, a great many improvements that could be made if a physical education director were available.

PERCENT OF ATTENDANCE FOR THE FIRST SEMESTER ENDING JANUARY 31, 1941

Group		Percent		Differences
		1940	1941	
Four Year High School		86.38%	82.17%	4.21%
7th and 8th Grades		88.49%	81.09%	7.40%
Left School Since September 16, 1940				
Name	Class	Course	Town	Reason
Dana Grendell	PG.	General	Mapleton	Work
Wendell Coffin	PG.	Commercial	Mapleton	Work
Harvey Smith	12	General	Mapleton	Work
Henry Akeley	11	Agricultural	Mapleton	Illness
Lucy Ferguson	11	Commercial	Chapman	Illness
Lucy Lamoreau	10	Commercial	Mapleton	Moved to Richmond
William Crawford	10	Agricultural	Mapleton	Unknown
George Pendexter	9	Agricultural	Chapman	Unknown
Malcolm Lamoreau	9	General	Mapleton	Moved to Richmond
Charles F. Lint	9	Commercial	Mapleton	Work
Zane Campbell	8		Mapleton	Moved to Ashland
Enrest Hughes	7		Mapleton	Put back to 6th grade at request of parent

Our basketball team, although inexperienced, has an enviable record for such a team. Mr. Merrill has done a fine piece of work in building the team. Our basketball season has, however been far from successful financially. The interest of the citizens, as exemplified by their attendance at games, has not been as great as in the past three years and this has made it difficult to finance the program.

The interest in badminton has increased. Mr. Bernard Waddell, as coach, has been contacting other schools in an effort to put the sport on a par with other sports in the County. This sport offers an opportunity for a larger number of pupils of both sexes than is possible in many other sports.

2. MUSIC

The amount of music in the school is at present limited to a Girls' Chorus and an Orchestra. We hope that next year the music program can be extended to include a Boys' Glee Club and a course in music appreciation.

3. PUBLIC SPEAKING

Our annual Junior Prize Speaking Exhibition was held in December and Ruth Dudley was named best speaker with Dorothy Ireland in second place.

We are also planning to continue our participation in the Aroostook Central League Speaking contest which is to be held this year at Bridgewater Classical Academy.

4. MAPLE LEAF

The publication of the Maple Leaf in April or May will be under the direction of the Misses Bake, Hamilton, and Stephenson.

5. DRAMATICS

Greater interest has been shown in dramatics this year

than ever before. There have been so many pupils volunteer for dramatics that we are having each class in the High School present a one act play. The plays have already been picked and are as follows:

Wildcat Willie Gets Brain Fever—Freshman Class

Coach Hamilton

Be Home By Midnight— Sophomore Class Coach, Bake

On the Dotted Line— Junior Class, Coach Stephenson

It's A Tie— Senior Class, Coach Kolouch

A number of one act plays have already been presented in assembly and others are in rehearsal for other programs.

We are also entering the Aroostook Central League One Act Play Contest which is to be held at Easton High School this spring.

The Senior play will be presented in May.

6. VISUAL EDUCATION

Our motion picture machine has been one of our greatest investments. Hundreds of reels of very fine pictures, for instructional purposes and general information have been shown at our assemblies.

7. LIBRARY SCIENCE

Miss Stephenson is offering, as an elective during activity period, a course in library science. This is helping to give a better understanding of the library and its organization.

8. PRINTING

Printing has been offered as an elective and a number of students have taken advantage of the opportunity to learn the elements of the printing trade.

All our tickets, programs, name cards and other small jobs have been printed by these students.

We are also ready to do, at a small cost, jobs for any citizen of the town who may want printing done. Among the work which we have done may be listed letter heads, envelopes, tickets, fire signal cards, and name cards.

9. MISCELLANEOUS

Many varied chapel programs have been presented.

On January 20, the entire school listened to a radio broadcast of the Presidential inauguration ceremonies. The radio was loaned to the school for this purpose by R. W. Wight and Son. of Presque Isle.

Many educational programs are now being broadcast during school hours for the benefit of the schools and a radio would be a most desirable instrument in increasing the instruction in our school.

E. IMPROVEMENTS AND CHANGES MADE

A number of changes of primary importance have been made this Fall.

A new janitor, Mr. Charles E. Wilcox, was hired. He has in many ways been very helpful to us.

Mr. Wilcox has built for us a trophy case in the wall in the lower corridor, a type case and printing bench in the bookroom, a physical education room and thirty lockers in the boys' basement and he repainted the lines on the gymnasium floor. All of these improvements are being paid for by the Student Council.

The auditorium was finished, painted and the windows washed last summer.

A new silk American flag was purchased for the auditorium.

An overhead radiator was put in the Science Room. This takes some of the chill out of the room on very cold days but is far from bringing it up to the correct temperature for a classroom.

Door closers were put on the storm door, the inside door, and the basement doors. All these have cut down very noticeably the amount of noise in the building.

A few outline maps were added.

New basketball uniforms had to be purchased to equip the first team. The old ones were given to the second team

which had no uniforms.

Our motion picture machine was sent to Portland to be cleaned and overhauled.

New window shades were provided for the 7th and 8th grade room.

Many new records have been added to our sound equipment.

We have taken advantage of the Surplus Food products being given out by the Federal Government. Many crates of grapefruits and oranges, hundreds of pounds of raisins, prunes and canned peaches have been distributed.

All pupils have been prohibited from eating their lunches in the basement. They now eat in the auditorium where there are four large tables, and there is plenty of light and ventilation.

F. NEEDED IMPROVEMENTS AND EQUIPMENT

The housing conditions of the school are still inadequate. Desks and seats have gradually worn out but no replacements have been made for a great many years.

We are still badly in need of reference books, magazines, newspapers, laboratory equipment and a variety of necessary supplies if we are to keep pace with present day needs.

The windows on the old part of the school building need to be repaired and painted. Storm windows on the North side of the old part are very desirable and would soon pay for themselves in fuel savings .

G. CONCLUSION

There is a sincere desire on the part of the school administration to talk over with any parent or guardian the problems of his children and the best ways to solve them.

We are at a very critical period in the history of our country and only by an enlightened citizenry through education can we hope to maintain our freedom and democratic form of government. On behalf of the faculty and myself I wish to thank you and the members of your school board for all that you have done to assist us in maintaining the educational program free and democratic in every respect.

Respectfully submitted,

JOSEPH F. KOLOUCH

Principal

February 3, 1941

COMMERCIAL DEPARTMENT

To the Superintendent of Schools:

I submit the following report of the Commercial Department.

Students pursuing the Commercial Course are completing these subjects: Bookkeeping, Typewriting, Shorthand, Business Methods, Commercial Law, and Industrial Geography.

The new Bookkeeping books which offer a different approach are an improvement over the old texts. We also have some new shorthand books, presenting many helpful suggestions to the future secretary. All the other textbooks are comparatively recent — an important point if we are to keep up with our rapid business world.

A few repairs should be made on some of the typewriters, and some new machines would be appreciated. It is not advisable, however, to have all new machines, as offices where the students may be employed do not always have the latest equipment.

A Commercial Club was started which proved very worthwhile. One meeting was invaluable when Mr. Waddell addressed the group. Another, a social meeting, was enjoyed by the members.

This has been a favorable year in the Commercial Department, and the town has cooperated in giving us the supplies we have needed. The students have shown a great degree of interest in their work.

Respectfully submitted,
EMILY HAMILTON

REPORT OF THE HOME ECONOMICS DEPARTMENT

To the Superintendent of Schools and Citizens of the Town of Mapleton:

I present the following report of the Home Economics Department.

The enrollment for the Home Economics Department for the present year shows an increase in the number of pupils and also an increase in the number of classes taught. Home Economics is being taught from the seventh grade to the senior class inclusive which goes to show we require more equipment in order to carry out successfully the work of our department.

The enrollment with the course of study for the respective classes is as follows:

Seventh Grade, 7 — Food and Clothing. Eighth Grade, 7 — Clothing, Food and Child Care. Freshmen, 18 — Home Nursing, Foods and Clothing. Sophomores, 12 — Child Care, Social Etiquette, Foods and Clothing. Juniors, 8 — Advanced Child Care, Household Accounts and Vocational Train-

ing and Clothing. Seniors, 3 — Clothing and Nutritional Problems.

This is a period when we are trying to help others. As our contribution the Junior Class in Advanced Child Care made nine children's dresses for the American Red Cross. Also the department planned and served the annual Future Farmers' Banquet in the high school auditorium to approximately one hundred twenty-five guests.

I wish to thank the citizens for their cooperation.

Respectfully submitted,

ALICE P. HEWS

AGRICULTURAL DEPARTMENT

To the Superintendent of Schools and the Citizens of the Town of Mapleton:

I present the following report of the Agricultural Department.

The enrollment in Agriculture for the year 1940-41 is 31 boys.

One of the most important phases of Vocational Agriculture is the supervised farm practice program carried on by the boys during the summer. It is true that many boys think of the supervised practice program as just something necessary to carry on so that they may continue to study Vocational Agriculture in High School. The objectives of Supervised Farm Practice Programs are:

1. To train the boy in scientific, efficient farming practices;
2. To promote thrift;
3. To develop boy responsibility;

4. To develop in the boy the appreciation of the possibilities of Farming as a successful and satisfying vocation;
5. To teach better methods to Dad through the Boy's work.

In these days of everchanging Agriculture, the boy who has a challenging, well-organized supervised farm practice program is the boy who is more likely to become a successful farmer in the future.

With this thought in mind it is my aim to have every boy enrolled in Agriculture have a well-planned challenging long-time supervised practice program which will help him become established in a well-organized farm enterprise upon graduation from High School.

The Future Farmer Organization has been active during the last year. Some of the activities that they have carried on are:

1. Each member successfully carried on a supervised practice program during the summer.
2. The Chapter planted tuber-unit seed plots.
3. Hatched baby chicks.
4. Entered 6 boys in Poultry and Potato Judging, Rafter Cutting and Rope Splicing contests at Fort Fairfield.
5. Entered 8 boys in Cattle Judging, Poultry Judging, Potato Judging, Rope Splicing and Rafter Cutting in the State Contests held at Orono in June.
6. Entered 4 boys in Dairy Cattle Judging and Potato Judging at the Northern Maine Fair.
7. Entered Potatoes in the Future Farmers Division at the Northern Maine Fair.
8. Twenty-three boys spent a week at Portage Lake during August.
9. Held a Father and Son Banquet, November 18.

10. Held a box social in the High School Gymnasium.
11. Elected a Future Farmer Queen for 1940-1941.
12. Reporter submits news articles to the Future Farmer News Letter.
13. Tested milk for butter fat content.
14. Elected two honorary members.
15. The chapter joined the Aroostook County Farm Bureau.
16. Purchased a four drawer steel filing cabinet to be used jointly by the chapter and the Agricultural Department.

Respectfully submitted,

ROBERT E. HEMINGWAY

Agricultural Instructor

MUSIC DEPARTMENT

To the Superintendent of Schools:

It is with pleasure that I submit the following report of the music department of the town of Mapleton.

The music program includes three rural schools, the two town schools and the fifth and sixth grades in the High School Building. In the Junior-Senior High School, we have a fine Girls' Chorus of forty members and also a High School Orchestra with an enrollment of sixteen members. The Orchestra and the Girls' Chorus both meet twice a week. Both organizations have had an opportunity to perform on various occasions. They will also perform for our Annual Spring Music Festival, to be presented in April.

There are twenty-two pupils from grades five through twelve who are now taking private music lessons once a week. A guitar orchestra has been organized and later on

in the year, harmonicas will be added to it. The other instruments in our instruction group include piano, violin, ukelele, and alto horns.

The work being carried on in the grades of the schools of Mapleton has been that of getting the children to enjoy music. To accomplish this, I have taught the pupils songs of various types, and they have been participating in rhythm games which they seem to enjoy immensely. Each grade school has its harmonica band for the purpose of developing musical teamwork.

The children have been learning the theory of music so that they will familiarize themselves with it before they enter High School.

The towns purchased a toy orchestra which has also been of value to the children in developing their sense of rhythm.

It is my hope next year time will permit the organization of a Boys Glee Club and a course in music appreciation, both to be given for credits in the High School.

I wish to thank Mr. Webber, the superintendent of school, Mr. J. F. Kolouch, the principal, and the town of Mapleton for their hearty cooperation with me in this music program and in making it possible for me to get the necessary music material to carry on the program.

Respectfully submitted,

LOUISE G. WYETH

Music Supervisor

WARRANT

State of Maine

Aroostook County, ss.

To Charles E. Wilcox, a Constable in the Town of Mapleton
County of Aroostook, and State of Maine:

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Mapleton, qualified by law to vote in Town Affairs, to assemble at the Maplton High School Auditorium, in said Town of Mapleton, on the seventeenth day of March, A. D., at ten o'clock in the forenoon to act on the following articles, to wit:

- Art. 1 To choose a Moderator to preside at said meeting.
- Art. 2 To choose a Town Clerk for the ensuing year.
- Art. 3 To see if the Town will vote to accept the Town Report as printed.
- Art. 4 To elect two Selectmen to serve for a term of three years.
- Art. 5 To choose all other necessary Town Officers for the ensuing year.
- Art. 6 To see if the Town will vote to authorize the Selectmen to appoint an agent for the Town to perform all the duties and business heretofore done in behalf of the Town by the Selectmen, as authorized or ratified by the Selectmen of the Town and authorize the Selectmen to fix his salary therefor.

-
- Art. 7 To see what date the taxes will be due and what date any part thereof shall be collected; also to see if the Town will vote to charge interest on all taxes remaining unpaid Nov. 1, 1941 and what per cent; also to see if the Town will vote to allow discount on all taxes paid before a certain date, and if so what date and what per cent.
- Art. 8 To see what sum of money the Town will vote to raise and appropriate for Educational Maintenance
- Art. 9 To see what sum of money the Town will vote to raise and appropriate for Repairs and Appliances for the ensuing year.
- Art. 10 To see what sum of money the Town will vote to raise and appropriate for Supt of Schools for the ensuing year.
- Art. 11 To see what sum of money the Town will vote to raise and appropriate for Insurance for the ensuing year.
- Art. 12 To see what sum of money the Town will vote to raise and appropriate for School Nursing for the ensuing year.
- Art. 13 To see what sum of money the Town will vote to raise and appropriate for Town Officers for the ensuing year.
- Art. 14 To see what sum of money the Town will vote to raise and appropriate for Incidental expenses for the ensuing year.
- Art. 15 To see what sum of money the Town will vote to raise and appropriate to pay Interest for the ensuing year.

- Art. 16 To see what sum of money the Town will vote to raise and appropriate for Support of Poor for the ensuing year.
- Art. 17 To see what sum of money the Town will vote to raise and appropriate for aid to Dependent Children for the ensuing year.
- Art. 18 To see what sum of money the Town will vote to raise and appropriate for State Aid Road Construction (in addition to the amounts regularly raised for the care of Highways and Bridges under the provisions of Sec. 3., Chapter 229, Public Laws of 1937).
- Art. 19 To see what sum of money, if any, the Town would recommend to take from the joint State Aid account for the purpose of applying bituminous surface treatment to State Aid Roads in excess of the requirements of Sec. 2 Chapter 132 Public Laws of 1935.
- Art. 20 To see what sum of money, if any, the Town would recommend to take from the Third Class Apportionment for the purpose of applying bituminous surface treatment to Third Class Roads in excess of the requirements of Sec. 1, Chapter 207, Public Laws of 1939.
- Art. 21 To see if the Town will vote to raise and appropriate the sum of \$450.00 for the maintenance of Improved sections of Third Class Roads, or to be used in conjunction with the State Apportionment for the Consruction of Third Class Roads.
- Art. 22 To see if the Town will vote to authorize the Assessors to rescind any amounts appropriated

by the Town for State Aid Construction in excess of the amount required to meet State Apportionments.

- Art. 23 To see what sum of money the Town will vote to raise and appropriate for Snow Removal for the ensuing year.
- Art. 24 To see what sum of money the Town will vote to raise and appropriate for the purchase of Snow Fence for the ensuing year.
- Art. 25 To see if the Town will vote to raise and appropriate the sum of \$50.00 to match a like amount set aside by the State for the purpose of maintaining State Aid Roads.
- Art. 26 To see what sum of money the Town will vote to raise and appropriate for the Patrol of State Aid Roads for the ensuing year.
- Art. 27 To see what sum of money the Town will vote to raise and appropriate for the Maintenance of Town Highways and Bridges for the ensuing year.
- Art. 28 To see what sum of money the Town will vote to raise and appropriate to be expended on the Ritchie-Pond Road.
- Art. 29 To see what sum of money, if any, the Town will vote to raise and appropriate for the purpose of erecting a Town Office.
- Art. 30 To see what sum of money the Town will vote to raise and appropriate for Street Lights for the ensuing year.
- Art. 31 To see what sum of money the Town will vote to raise and appropriate for Memorial Day.

- Art. 32 To see what sum of money the Town will vote to raise and appropriate for Abatements and Discounts for the ensuing year.
- Art. 33 To see what sum of money the Town will vote to raise and appropriate for Abatements on Taxes from 1930 to 1937 inclusive.
- Art. 34 To see what sum of money the Town will vote to raise and appropriate to be expended by the Aroostook Anti-Tuberculosis Association for the suppression and Control of Tuberculosis.
- Art. 35 To see if the Town will vote to raise and appropriate the sum of \$300.00 to pay PWA Bonds maturing in 1941.
- Art. 36 To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to pay Bonds maturing in 1942.
- Art. 37 To see what sum of money the Town will vote to raise and appropriate for the Mapleton Fire Co. for the ensuing year.
- Art. 38 To see what sum of money the Town will vote to raise and appropriate to carry on WPA Sponsor accounts for the ensuing year.
- Art. 39 To see if the Town will vote to authorize the Selectmen and Town Treasurer to issue, execute and negotiate Town of Mapleton Notes for a sum not to exceed \$5,000.00, payable during the year within which the same are made out of money raised during the current year.
- Art. 40 To see if the Town will vote to authorize the Selectmen on behalf of the Town to sell and dispose of any Real State acquired for non-payment

of Taxes thereon, on such terms as they deem advisable and to issue Quit-Claim Deeds for said property.

- Art. 41 To see what action the Town wishes to take in regard to Daylight Saving Time for the Schools.
- Art. 42 To see if the Town will vote to raise and appropriate the sum of .05 or any part thereof per capita to be expended and used solely for advertising the advantages and attractions of Maine, the sum to be expended by the State of Maine Advertising Bureau.
- Art. 43 To transact any other business that may legally come before said meeting.

The Selectmen hereby give notice that they will be in session at the Town Office on March 13, 14 and 15, 1941 for the purpose of correcting the list of voters.

Given unto our hands at Mapleton, Maine this 4th day of March, A. D. 1941.
